Do I need to have completed previous study? 
There are no prerequisites for entry into Cert III in Warehousing Operations. Participants are required to be competent in written and spoken English and will undertake a Language, Literacy, and Numeracy test prior to commencing the training.

Assessment 
Competency based training is concerned with assisting people to gain specific competencies relevant to the purpose of their program of study. A participant will be assessed by performing set tasks at specified standards, under prescribed conditions. A range of assessment methods will be used to enable participants to demonstrate competency.

Recognition of Prior Learning 
If what you have learned at work, from other programs, courses, from life experience or training provided at work is relevant to this program, you may be entitled to gain subject credits or exemptions. The College is obliged to recognise the AQF qualifications and statements of attainment issued by other registered training organisations. For further details contact the Administration Officer.

Eligibility Criteria under Certificate 3 Guarantee 
Participants must:
- be aged 15 years or above, and no longer at school (with the exception of VET in School (VETiS) students
- permanently reside in Queensland
- be an Australian citizen, Australian permanent resident (includes humanitarian entrant), temporary resident with the necessary visa and work permits on the pathway to permanent residency, or a New Zealand citizen
- not hold, and not be enrolled in, a certificate III or higher level qualification, not including qualifications completed at school and foundation skills training.

Employment status does not matter. A participant can be unemployed and seeking work, or working on a full-time, part time or casual basis. There is no minimum education requirement, only the standard minimum course entry requirements for the selected qualification.

Co-Contribution fee under Certificate 3 Guarantee
